HANDLING

• Keep away from intense heat source
• Do not drop the shield on the floor and avoid hard shock(s)
• Do a visual inspection of the insert every six-month
• In case of visual damages, send the insert back for inspection / repair
• Do only clean with pure water or mild soap
• Use only as a shield, do not seat or walk on it

GUARANTEE PERIOD

The plate is expected to preserve its conformity with the specifications for a period of at least 5 years during storage from the date of delivery, provided that:

• The product is stored under dry conditions at normal ambient temperature
• The product has not been subjected to peak temperature exceeding 70°C
• The product is protected against long term direct exposure to sun light
